We are so excited to be producing these practice pens and clinics. We hope to continue through the late fall and the winter season with Friday night practices.

We would like to thank all the people involved with the roping clinic that took place Oct.17-19. To everyone who participated, we truly enjoyed meeting and being with all of you! Larry Darnell was our Clinician; everyone really enjoyed working with Larry and learned so much. Thanks for coming up here and helping us out. Roger and Vickie Rawlings thank you for the use of the 4 rocks arena and Brian Ruder what can we say? The arena was kept beautifully and the whole facility ran like clock work. Thank you to Keith Hall and Dan Widick for hauling the cattle. Behind the shoots were Jared and Gabe Coleman, Cindy Owens, Lauren and Mr. Vanderleest. Without all of you this clinic would not have been the success it was! Thank you!

Sincerely,

Ken Hall & Rita Coleman
