Student Vice President

“Vote for me, Jessy Le, for your Student VP.”

My family has taught me that the best way to achieve my goals, is to set them high. Competing at the NHSFR and running for a National Student Officer position has been goal #1. Becoming a professional photographer and running for Rookie Of The Year in the Great Lakes Circuit in the PRCA is goal #2. Continuing the tradition that my family has begun by raising and training our own horses, to make their mark on the rodeo world is goal #3. I have been extremely blessed in my life so far. With God on my side, there isn't anything I can't accomplish through faith, family, and determination.

“ Everyone has an opportunity to make a difference. I am taking this opportunity to make my difference count in the NHSRA. ”

Serving as your National High School Rodeo Association Student Vice President would be a great honor and a once in a lifetime opportunity. Rodeo has given me the opportunity to step up and be my own person. It has allowed me to set goals and work hard to reach them. Sportsmanship, hard work and responsibility are just a few of the many things I have learned while competing in this great association. I feel I can promote everything I have learned from the NHSRA and give back to an organization that has given so much to me. Everyone has an opportunity to make a difference. Now I am taking this opportunity to make my difference count in the NHSRA.
